DESCRIPTION

Soft marble from Türkiye, elegant thanks to its uniform eggshell color and the fine grain of which it is composed. Recommended in a honed finish, this natural stone is less consistent than other types of materials, but still robust and durable. Its good resistance to abrasion and thermal changes makes this material an excellent choice for the creation of internal and external environments.

Applications: claddings, floor tiles

Finishing: Brushed, Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet

SCS: *Stone Care System highly recommended for a longer duration.*
