DESCRIPTION

Cocada is a refined Brazilian dolomite, characterized by a delicate and harmonious color palette. Its aqua-green background, leaning toward light blue, is enriched with irregular white ovals of varying sizes that add movement and uniqueness to the surface, creating a natural and elegant effect. Particularly suitable for interior applications, Cocada stands out for its brightness, which lends spaces a sense of purity, sophistication, and luminosity. It can also be used for exterior projects, provided that special care is taken in maintenance in order to preserve its aesthetic and qualitative characteristics over time.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Brushed, Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet

SCS: *Stone Care System highly recommended for a longer duration.*
