DESCRIPTION

Indian marble with dark and mysterious tones: the color that stands out is definitely brown, with its shades. Black, gray and cream veins cross the slabs in an irregular way, ensuring uniqueness to any type of creation. The material, very resistant and compact, is ideal for the open-matched laying of floors, wall coverings and bathrooms/kitchens. Used in the construction sector for the creation of both internal and external environments, it is resistant to acids, impacts and water repellent.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Brushed, Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet

SCS: *Stone Care System highly recommended for a longer duration.*
