DESCRIPTION

Italian marble extracted in the Apuan Alps, the Tuscan sub-Apennines from which other materials of the same family known throughout the world also come. This elegant-looking natural stone is able to give brightness and warmth to the surrounding environment thanks to the creamy white color that forms the background. The green, irregular and marked veins embellish Calacatta Monet, making it a material sought after by professionals and private individuals. Compact and polishable, this natural stone is used for the furnishing of internal projects and the creation of external environments.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Brushed, Bushhammered, Flamed, Honed, Polished, Sandblasted

SCS: *Stone Care System highly recommended for a longer duration.*
