DESCRIPTION

Elegant marble from the Apuan Alps, the source of some of the most well-known materials of our peninsula. Characterized by a white background, sometimes cream-colored, it is crossed by dark gray veins that form an irregular network that is the main characteristic of this natural stone. Particularly suitable in this case is the open-book laying, as Fantastico Arni is a particularly oriented material capable of creating clear and visible figures.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Brushed, Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet

SCS: *Stone Care System highly recommended for a longer duration.*
