DESCRIPTION

Porto Rose is an elegant granite distinguished by a deep black background crossed by soft pink and copper veining, which gives the stone a warm and refined appearance. Thanks to its high hardness and resistance to scratches, stains, and weathering, it is ideal for both indoor and outdoor applications. Its long lifespan and low maintenance requirements make it a reliable choice over time. In addition, its ability to be recycled and reused contributes to a more sustainable use of natural resources.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Brushed, Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet

SCS: *Stone Care System highly recommended for a longer duration.*
