DESCRIPTION

Marble from Vietnam with a white background and characterized by intense dark red ramifications. Equipped with great shine, it is considered a valuable material thanks to its veins and sometimes oval motifs. Its elegance is perfect for using this material in luxury environments or for being worked open-book.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet

SCS: Stone Care System highly recommended for a longer duration.
