DESCRIPTION

Quarried in China, this onyx stands out for its warm and intense background, dominated by refined shades of ochre yellow. Delicate white veins flow across the surface, creating a natural and harmonious movement that makes each slab unique and one of a kind. Its strong character and rich colour palette make it an ideal choice for enhancing distinctive interiors, where it can be used to create decorative and dramatic surfaces with a striking aesthetic impact.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Brushed, Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet

SCS: Stone Care System highly recommended for a longer duration.
