DESCRIPTION

Quartzite from Brazil, white in color crossed by light veins. Its light and homogeneous tones make this natural stone perfect for large and elegant environments. The resistance and hardness that characterize quartzites make this material suitable for creations such as floors and wall coverings. The resistance to wear, abrasion and atmospheric agents make Zeus an ideal material also for external constructions.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Bushhammered, Flamed, Honed, Polished, Sandblasted

SCS: Stone Care System highly recommended for a longer duration.
