DESCRIPTION

Notre Dame is a marble originating from Vietnam, distinguished by its delicate and elegant tones. Its surface is enlivened by the alternation of white, pink, and black patches, creating a refined chromatic contrast that enhances any setting. The irregularly sized clasts, typical of its brecciated structure, add movement and depth to the material, making each slab unique and unrepeatable. Thanks to its distinctive aesthetic, Notre Dame is particularly suitable for the creation of sophisticated interior spaces, where the natural beauty of stone becomes the true protagonist.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Brushed, Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet

SCS: *Stone Care System highly recommended for a longer duration.*
