DESCRIPTION

Golden Spider is a marble quarried in Turkey, distinguished by its bright white background crossed by golden and yellow veining that creates a distinctive spiderweb effect. The contrast between the purity of the surface and the intricate network of veins gives the material a harmonious and elegant aesthetic with strong visual impact. Durable and original, Golden Spider stands out for its character and refinement, making it ideal for architectural and interior design projects that aim to impress and enhance any space.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Brushed, Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet

SCS: *Stone Care System highly recommended for a longer duration.*
