DESCRIPTION

Verias Green is born from the ancient heart of Greece, where the earth has preserved for millennia the secret of a primordial beauty. Its deep green recalls the Mediterranean forests and the calm waters of remote bays, while delicate, unpredictable white veins flow across the surface like traces of time, sketching ever-changing landscapes on each slab. A living and precious material, this marble embodies the perfect balance between strength and grace. Its compact structure speaks of solidity, while the lustrous surface reveals a refined, almost sensual soul. In every space, Verias Green brings a quiet sense of elegance. A call to nature in its purest form and a timeless allure that turns interiors into true experiences.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Brushed, Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet

SCS: *Stone Care System highly recommended for a longer duration.*
