DESCRIPTION

A pearly granite with a light beige background on which rounded brown fossils can be distinguished. This Brazilian granite has burgundy or orange veins that characterize it and make it an exclusive veined marble. It is a precious granite resistant to climatic changes and is particularly indicated for cladding of walls and ventilated facades.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Brushed, Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet
