DESCRIPTION

Quartzite from Brazil with an exotic and enveloping look. The background color is beige, the intensity of which can vary depending on the extraction area. Light brown veins cross the Tahiti slabs through irregular and elegant ramifications. This natural stone is particularly compact and resistant, therefore suitable for use in any internal and external building context. Floors, wall coverings are just some of the creations that make Tahiti a versatile and refined choice.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Brushed, Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet
