DESCRIPTION

Very light and elegant quartzite from Brazil, which is characterized by its greyish-white background crossed by light dark veins. Belonging to the quartzite group, this natural metamorphic stone is particularly resistant to heat, trampling and rubbing. Ideal for large, bright environments, it is an excellent choice for anyone who wants exclusive furnishings.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Brushed, Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet
