DESCRIPTION

Marble from Italy, with warm and bright colors that recall the climate of its land of origin, Sicily. This natural stone that was widely used in the Baroque period, is today considered an excellent contemporary choice for private projects such as floors and wall coverings, and public ones such as ornaments for cathedrals and mausoleums. Its beige background is contrasted by brown and orange veins composing a brecciated design, the main characteristic of this material.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Brushed, Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet
