DESCRIPTION

Marble from the western Italian Alps, to which it owes its dark green color and its various shades. Its irregularly distributed veined structure helps to make any creation that sees this material as the protagonist unique. As Verde Alpi is a compact sedimentary rock, it is particularly suitable for use in both internal and external environments.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Brushed, Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet

SCS: Stone Care System highly recommended for a longer duration.
