DESCRIPTION

Asian marble characterized by different bright colors that alternate on a mainly white background. Various shades of green, gray and black make up ovules of various sizes which give the slab irregular shapes and colours. White beauty is a resistant and compact material: once polished, it is capable of giving brightness and animating the surrounding environment. Ideal for furnishing large and bright interior spaces with personality.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Bushhammered, Flamed, Honed, Polished, Sandblasted

SCS: Stone Care System highly recommended for a longer duration.
