## DESCRIPTION

Marble extracted in Italy, characterized by a veined texture in shades of gray, beige, brown and ochre. This contrast of colors is particularly appreciated by those looking for a material that can be modern without losing the elegance that has distinguished marble and its creations for centuries. Recommended in a polished or honed finish, Oyster Fabbricotti is a natural stone with a compact structure and resistant to acids, impacts and temperature changes. Floors, wall coverings and kitchen/bathroom tops are just some of the creations that make this material an icon known throughout the world.

**Applications:** claddings, floor tiles, kitchen and bathroom vanity tops

**Finishing:** Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet
