DESCRIPTION

Marble from Namibia with a white color. Its blue veins differentiate it from other materials that come from the same family recognized throughout the world for its elegant whiteness. Ivory-colored spots can cross the slabs creating irregular shapes depending on the quarry. Rhino azzurro is a compact and resistant material, suitable for the creation of projects such as floors and coverings in large and well-lit environments, to which you want to guarantee an extra touch of boundless elegance.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Brushed, Flamed, Honed, Polished, Sandblasted, Waterjet

SCS: *Stone Care System highly recommended for a longer duration.*
