DESCRIPTION

French marble consisting of a brecciated structure and enriched by white, beige, red and burgundy veins. Its interconnected fragments create combinations of bright colors in contrast with each other. One of the most important characteristics of this natural stone are its irregular shapes, the result of geological processes lasting millions of years. Breccia Benou is therefore a sought-after material that is often used in elegant interior design projects such as floors and wall coverings.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Brushed, Bushhammered, Flamed, Honed, Polished, Waterjet

SCS: Stone Care System highly recommended for a longer duration.
