Prices range: **Middle**

DESCRIPTION

Particular multicolored Asian marble of extreme beauty, composed of various colors that alternate irregularly. Resistant to impacts and with a less porous surface than other stones, it is considered an excellent material for the creation of interior projects such as floors or wall coverings. Given its technical characteristics, it is also used by specialists in the sector for outdoor projects.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Bushhammered, Flamed, Honed, Polished, Sandblasted
