DESCRIPTION

Blue Artico is a dolomite extracted in Africa with cold tones, reminiscent of the great glacial ocean. The white background is crossed by irregular black and blue/light blue veins. This material with a traditional appearance and high resistance is an excellent choice for those who want to furnish interior and exterior environments in an elegant way, given its resistance to atmospheric agents and temperature changes.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Brushed, Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet

SCS: Stone Care System highly recommended for a longer duration.
