DESCRIPTION

African marble characterized by a white background with soft gray and blue veined shades. This particular structure which belongs to the Oyster family, guarantees a very elegant appearance to the material, which lends itself to furnishing large and bright refined environments. Compact and very resistant to temperature changes, Oyster Blue is an excellent choice for the creation of internal and external environments.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Bushhammered, Flamed, Honed, Polished, Sandblasted
