DESCRIPTION

Calacatta White is a high-performance natural stone quartzite of Brazilian origin. It features an almost ethereal background, traversed by fine, irregular black veining that creates a harmonious and distinctive visual contrast. Thanks to its high density and durability, Calacatta White is perfectly suited for architectural and interior design applications, both in residential and commercial settings. Its refined and timeless aesthetic makes it an ideal choice for creating elegant, bespoke spaces where material uniqueness meets long-lasting functionality.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Brushed, Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet

SCS: *Stone Care System highly recommended for a longer duration.*
