DESCRIPTION

Portuguese marble characterized by a warm and harmonious chromatic palette, featuring a cream-colored background enriched with pinkish and purplish shades. The veins, in tones of deep violet and blue, add depth and dynamism to the stone's natural texture. Thanks to its compactness and durability, this material is particularly suitable for flooring, wall cladding, and countertops in both residential and commercial settings, ensuring long-lasting performance and contemporary elegance.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Brushed, Bushhammered, Flamed, Honed, Polished, Sandblasted

SCS: *Stone Care System highly recommended for a longer duration.*
