DESCRIPTION

Rosso Lepanto is a high-quality marble distinguished by its intense cherry-red color, enhanced by balanced white veining that highlights its depth and elegance. Quarried in Turkey, this natural stone combines strong visual impact with excellent technical properties, making it an ideal choice for high-end projects. Thanks to its versatility, Rosso Lepanto is particularly suitable for both interior and exterior flooring and wall cladding, countertops, staircases, monuments, and architectural design applications. Its warm and bold tone adds character and prestige to spaces, enhancing both classic and contemporary settings.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Brushed, Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet

SCS: *Stone Care System highly recommended for a longer duration.*
