DESCRIPTION

Quarried from the rich lands of Brazil, this quartzite captivates with its white and grey background, enhanced by bold red and orange veining. These striking lines flow through the stone like traces of fire, infusing it with a vibrant sense of energy and character. Its compact structure and remarkable hardness — distinctive features of quartzite — ensure excellent durability and resistance, making it a perfect choice for both interior and exterior applications. Each slab is a testament to the power of Brazilian nature, a harmonious balance between elegance and chromatic intensity that enhances any architectural or interior design project.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Brushed, Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet

SCS: *Stone Care System highly recommended for a longer duration.*
