DESCRIPTION

Precious marble with a homogeneous gray background, characterized by blue shades and white veins. Extracted in the French Alps, precisely in the Savoy region located in the south-east of the country, this material is sought after by specialists in the sector given its limited production and extreme hardness. The refined elegance and dark depth make it excellent for interior creations, such as floors, wall coverings and stairs. Although it belongs to the marble family, the hardness and impermeability of this stone also makes it suitable for external design creations. such as floors and swimming pools.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Brushed, Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet
