### DESCRIPTION

Calacatta Golden Dune is a marble of Asian origin distinguished by its refined white background, crossed by warm, enveloping golden veining that recalls the natural hues of sunlit sand. Its harmonious and never overpowering pattern gives the material a timeless elegance, enhancing both classic interiors and contemporary spaces. The luminous surface helps amplify the perception of space, making it ideal for high-end architectural applications. Golden Dune is used in interior design projects such as flooring, wall cladding, staircases, and decorative surfaces, as well as in exterior solutions, where it lends character and prestige to façades and architectural spaces.

**Applications:** claddings, floor tiles, kitchen and bathroom vanity tops

**Finishing:** Brushed, Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet

**SCS:** Stone Care System highly recommended for a longer duration.
