Travertino Titanium

Marble • 320 x 170 x 2 cm

TECHNICAL INFORMATION

Sizes: **320 x 170 cm**
Thickness: **2 cm**
Applied finishing: **Honed**
Cod: **vr9990**
Type: **Marble**
Origin: **Italy**
Color: **Grey**
Prices range: **Middle**

DESCRIPTION

Travertino Titanium is a sedimentary limestone rock, which appears as a variant of the classic travertines: the darker tones are close to black, and mix with smoky movements alternating between dark brown, beige, white and sometimes blue. This intense chromatic variety guarantees a mysterious charm to a contemporary material, excellent for use in both internal and external environments given its compactness and high degree of resistance to acids and thermal changes.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Brushed, Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet

SCS: *Stone Care System highly recommended for a longer duration.*
