DESCRIPTION

Marble of Turkish origin, distinguished by an irregular orange background crossed by bold red veining that evokes the dynamic movement and natural interweaving of roots. This stone stands out for its good impact resistance, making it suitable for a variety of architectural and interior design applications. Thanks to its warm tones and strong aesthetic character, its use is recommended in bright interior spaces, where natural light can enhance the depth of the veining and highlight its decorative impact. Ideal for cladding, flooring, and high-end surfaces, it brings a distinctive and contemporary elegance to any setting.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Brushed, Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet

SCS: *Stone Care System highly recommended for a longer duration.*
