DESCRIPTION

Brazilian quartzite in black with light white veins that cross the slabs in elegant irregular ramifications. This contrast of colors gives the material infinite depth and refinement, characteristics appreciated in the construction field that added to the compactness of quartzite give life to a natural stone ideal for the creation of floors and coverings, but also furnishing accessories, kitchen tops and stairs.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Brushed, Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet
