DESCRIPTION

Born from the lands of Brazil, Lady White emerges like a poem in stone. This natural quartzite, luminous and pure, stands out for its white, uniform texture that evokes the calm of light and the purity of form. Characterized by exceptional hardness and resistance to wear, Lady White combines outstanding technical performance with refined aesthetics. Its clear, compact surface reflects light naturally, enhancing spaces with brightness, openness, and timeless elegance. Chosen for prestigious environments where elegance meets modernity, Lady White embodies the essence of understated luxury: a precious gift from the Earth that continues to inspire with its enduring beauty.
