DESCRIPTION

A natural stone of Turkish origin, Travertine Orange is distinguished by the typical layered structure of classic travertine, reinterpreted through a warm and intense color palette ranging from vibrant orange to softer, more enveloping shades. Its characteristic porous and linear texture ensures aesthetic continuity and recognizability, while maintaining high performance in terms of workability and application versatility. Thanks to its aesthetic and material qualities, Travertine Orange is particularly suitable for wall cladding and flooring in interior spaces, where it helps create bright, refined, and elegant environments.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Brushed, Bushhammered, Flamed, Honed, Polished, Waterjet

SCS: *Stone Care System highly recommended for a longer duration.*
