## DESCRIPTION

Charlotte Green is a natural quartzite from Tanzania, characterized by an emerald green background enhanced by irregular white veining and shading. Its compact structure and natural surface brilliance, combined with the high mechanical properties typical of quartzites such as hardness, wear resistance, and resistance to external agents—make this material particularly suitable for high-end applications.

**Applications:** claddings, floor tiles, kitchen and bathroom vanity tops

**Finishing:** Brushed, Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet

**SCS:** *Stone Care System highly recommended for a longer duration.*
