DESCRIPTION

Elegant and refined, Gucci Quartzite is a natural stone sourced from Brazil, distinguished by its sophisticated creamy grey background enriched with delicate bluish undertones. The surface is crossed by thin, irregular white and black veining, creating a harmonious and contemporary visual movement. Compact and highly durable, this material is suitable for a wide range of residential and contract applications, including flooring, wall cladding, kitchen and bathroom countertops, and bespoke design elements. Its sophisticated aesthetics and technical versatility make it an ideal choice for elegant, high-impact projects.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Brushed, Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet brushed
