Prices range: **Premium**

DESCRIPTION

Brazilian quartzite with a deep impact, characterized by a dark background and blue and white veins. The irregular branches of these veins contribute to making any creation unique, from internal to external environmental projects. Highly recommended in polished or polished finish.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet

SCS: *Stone Care System highly recommended for a longer duration.*
