Calacatta Oyster

Marble • 340 x 180 x 2 cm

TECHNICAL INFORMATION

Sizes: **340 x 180 cm**
Thickness: **2 cm**
Applied finishing: **Honed**
Cod: **vr9946**
Type: **Marble**
Origin: **Italy**
Color: **White**
Prices range: **Premium**

DESCRIPTION

From the Italian quarries, where time itself carves matter, is born Calacatta Oyster, a marble of rare visual and sensory intensity. Its pure white background is traversed by irregular, undulating veins, where deep blacks, golden yellows, and warm beiges intertwine like the shifting currents of an ever-moving sea. Each slab tells a different story: a changing balance between strength and delicacy. The chromatic energy of Calacatta Oyster does not shout; it whispers elegance, transforming every space into one of harmony and controlled contrast. From a technical perspective, this marble is distinguished by its remarkable resistance to impact and wear, qualities that make it ideal for flooring and vertical cladding. Its compact and durable nature makes it particularly suited for interior applications, where natural light can enhance its shades and material depth. Calacatta Oyster is not merely a stone; it is a living surface, capable of merging the heritage of Italian marble with a bright, sophisticated modernity.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops
