DESCRIPTION

Breccia Blu is an Italian marble distinguished by its predominantly orange background, enriched with striking brecciated inclusions in shades of blue. Its elegant chromatic contrast, highly appreciated by designers and industry professionals, gives the surface a strong visual impact, capable of capturing attention and conveying a timeless sense of elegance. Featuring good mechanical properties and a fair resistance to acidic agents, Breccia Blu is primarily suited for interior design projects, where it is enhanced in high-end applications such as wall cladding, flooring, and decorative furnishings.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Brushed, Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet

SCS: *Stone Care System highly recommended for a longer duration.*
