DESCRIPTION

Rosso Asiago is a natural Italian marble of great value, appreciated for its classic and elegant character, capable of giving personality and warmth to any architectural project. Extracted mainly from the Asiago Plateau area, this material stands out not only for its strong aesthetic impact, but also for its excellent technical characteristics. Its compact structure and good weather resistance make it particularly suitable for outdoor applications, such as flooring, cladding, stairs, porticoes and fine architectural details. At the same time, Rosso Asiago also finds wide use in interior environments, where it enhances classic and contemporary spaces with a sought-after elegance.

Applications: claddings, floor tiles, kitchen and bathroom vanity tops

Finishing: Brushed, Bushhammered, Flamed, Honed, Polished, Sandblasted, Waterjet

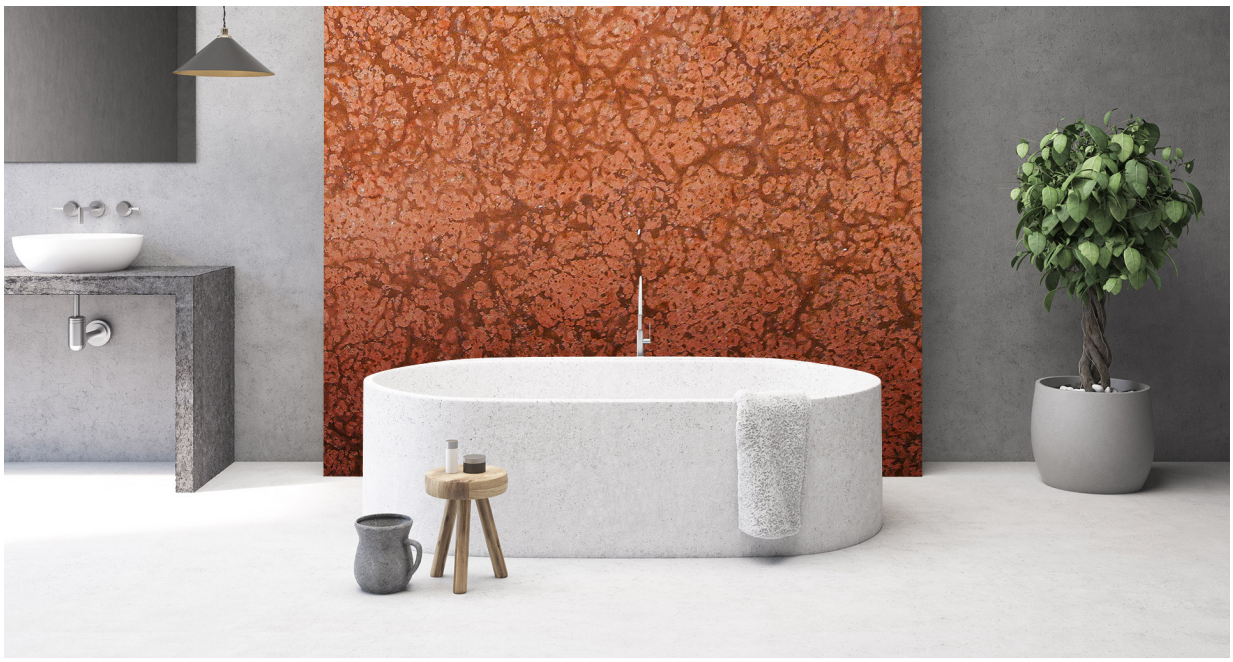

SCS: *Stone Care System highly recommended for a longer duration.*
